The Perkin-Elmer Corporation
Norwalk, Connecticut

Dear Sirs:

This letter is to advise you with reference to our intention to negotiate a contract with you in Fiscal Year 1956 for the production and delivery of the following items:

26 each of a 70 MM tracking camera
26 each of a view finder.

The specifications of the above items are in your possession. Modifications of certain components of the above items have been discussed with you. Special tools, spares, training, technical representatives and periodic factory overhauls will be required to be furnished by you in connection with the above items.

In addition the following item will also be included in the contract between us, provided that a suitable sub-contract arrangement can be made:

26 each of a special sextant.

It is requested that you submit, at your earliest convenience, three copies of a proposal and technical exhibit in connection with this proposed procurement.
